Re: COVID 19 Emergency

Dear Licensee:

As you may have heard, Governor Pritzker, pursuant to his emergency powers, has ordered all bars and restaurants to be closed to the public beginning at the close of business Monday, March 16, 2020 through Monday, March 30, 2020. As a liquor licensee, you are expected to follow the laws of the State of Illinois and comply with the emergency order entered by the Governor. Failure to follow the emergency order may result in a suspension or revocation of your liquor license. Your business may remain open for delivery, drive-through and curbside pickup of food and non-alcoholic beverage items. If your license allows the sale of packaged liquor, you may also deliver such liquor and have it available at the drive-through or curbside pickup.

Thank you for your cooperation during this state of emergency. Please contact me if you have any questions or comments at (217)737-2808.

Sincerely,

Sherry Mears
Village President
