Ms. Johnson

I am requesting complete copies of the following Village of Wapella documents through the Freedom of Information Act.

1. Complete copies of all the pages (including the pages with the check images) of the February 2017 bank statements for all Village of Wapella accounts.
2. Per the Village website, it states:

On 10/18/2015 the Wapella village board passed a motion to add a \$5 surcharge to each Water bill. This surcharge is intended to be used exclusively for water system improvements. **The money collected is placed into a separate fund.** The intended purpose of this fund is water main replacement. The first phase will cost the village about \$500,000. The Village is also pursuing grants to help with the project, and having the surcharge on the water bills improves our chances of getting these grants.

Please provide a complete copy of the account statement from the fund used to collect the water surcharge showing the most current balance in that fund.

If the total pages are under 50, which would have no charge, please send them to my mailing address as stated below. If the pages total over 50, please notify me of the charge so that I may provide payment and receive the documents in the timely manner under the guidelines of the Freedom of Information Act.

Thank you.
