I am making this request under the Freedom of Information Act. Most of the following documents are no longer being posted on the village website and available for the public to view.

1. Complete copies all the village board and village committee minutes approved since August 6, 2016.
2. Complete copies of the bank statements for all village accounts for August 2016, September 2016, October 2016 and November 2016.
3. At the December 20, 2016 board meeting, the Finance Chairman notified the board members that she had provided copies of the "budget" for 2016 that she was going to file with the County Clerk and copies of the "in-house" budget to be used by the village board. I would like complete copies of both of those documents.

If you have any questions, please let me know. Also, please make the copies I am requesting one-sided. You may call or text when this will be available for pick up. Please let me know the cost in advance.

Thank you.
