I spent **countless** hours on the phone addressing complaints. The Attorney General/PAC has not asked I do anything different when handling FOIA's. The complaints continue concerning Treasurers Reports from the requestor. The village is not required to produce records for a FOIA that are not produced by the village. The PAC has not required any changes. I am still handling complaints from a year ago and the beat goes on....

COST TO FILL FOIA'S:

Approximately \$1,700.00 wages
Approximately \$60.00 in postage to mail every FOIA response certified mail
Approximately \$100.00 - \$200.00 in attorney fees
This does not include the cost of paper, ink (ect) and other employees gathering information to fill FOIA's

The village is still holding 3 FOIA requests that have not been paid for and therefore not been picked up or mailed.
