RE: FOIA Request

Dear Mr. and Mrs. Miller,

This is just a follow up to my conversation with Mark on Friday, August 30. I had tried on two separate occasions to call the number on your FOIA request, no one answered. I seen Mark outside as I drove by and decided to stop and let him know that the entire Code of Ordinance book had been uploaded to the village website and was available on line.

If you have any further questions please feel free to contact me at village hall, 217-935-3259.

Sincerely,

Kim Donovan
FOIA Officer
